## Horrors! What a Scene of Suffering

## HOT LINERS

BY FRANK CHARLTON.

The usual tail-enders are setting the And showing their heels to the "class"

in the race; But the dope says that soon they must stop into their stride.

Just to show how hot is the competition between the Federal and interpational leagues at Baltimore, President Barrow, of the latter, has gone there to open the International league season this afternoon.

Organized baseball magnates are to hold a council of war in Chicago tomorrow. War seems to be in the very

The National Bowling Congress at Atlantic City decided that the loaded ball can easily be spared. (Business of calling loudly for help!)

Another injunction against Bill Killifer! That fellow is more enjoined against than joining, according to President Gilmore of the Federals.

Dumb Dan Morgan has put his voice into hard training for the bout between his protege, Battling Levinsky, and Joe Blackburn in Philadelphia a week from tomorrow night.

The stock of the Mackmen is once

Clark Griffith of the Senators, says his team is going to cop the American league pennant. Well, Clark ought to know by this time. The season is nearly ten days old.

Brooklyn fans are getting so cocky that they regard Manhattan Island as a mere piece of ground upon which to rest the western end of the bridges.

Captain A. N. S. Jackson, of the British track team, which began trainthat the American climate makes forelgners thirsty. Some home folks are afflicted that way too.

April showers bring May flowers, and they are also piling up a considerable number of double-headers. The Red Sox were kind of blue af-
